

Celebrate the holidays all year, and submit your artwork today

Whether your happiest holiday moment was here at the Village or back home, we want to see it.

So we're inviting all our wish kids and wish siblings to create their favorite holiday scene, and submit their artwork to Give Kids The World's annual holiday card contest. We'll feature some of their art in our holiday card collection!

Here's how to enter:

- Complete the release form on the back and have a parent or guardian sign it.
- Use crayons, markers or paint to create your favorite holiday memories. Make your picture bright and colorful!

**Please bring artwork and this form to Guest Services,
or mail artwork by August 1 to:**
